## AWARD

This is a reference made by the Government of Goa, by its order No. 28/26/83-ILD dated 26-12-1983 with an annexure scheduled thereto which reads as follows:

"Whether the action of the management of M/s 'O Heraldo', Panaji—Goa, in terminating the services of Shri (Dr.) Benecio Nunes, Editor, Guirim, Bardez-Goa, w.e.f. 6-6-82 is legal and justified?

If not, to what relief the workman is entitled to?"

The above reference is made by the Government on behalf of Party I Benecio Nunes who worked as editor of Party II daily M/s O Heraldo. The Party I Workman had also earlier filed one claim for dues u/s 33C of the I.D.A. which is numbered as LCC/20/83. That application was filed by the workman editor on 12-8-1983. As his services were terminated by the employer he had raised an industrial dispute and the Government made the present reference which is numbered as IT/1/84. Both the Govt. reference as well as LCC petition are being treated as companion proceedings and are being heard together.

During the pendency of the two proceedings the Party I Workman died on 20-8-1984. The main point involved in this reference is whether the termination of the services of the editor w.e.f. 6-6-82 is just, proper, legal or otherwise. The reference can be split into two parts namely the claim for reinstatement into service by terming the termination as illegal and the second part consists of the claim for dues made by the ex-workman. The question of reinstatement does not survive in view of the death of the workman and what survives for consideration is the monetary claim made by the workman who is now dead and the matter is being pursued by his heirs on his behalf. The heirs of the deceased workman were formerly not being brought on record as legal representatives and there was a conflicting view expressed by different High Courts. The Government thought it fit to make necessary amendment by amending section 10 of the Act by passing Act No. 46/84. Co-incidentally this Act came into force on 21-8-84 while the present workman died on 20-8-84 admittedly. The question posed for consideration was whether the amendment is retrospective in effect and submissions were heard on this point for which the matter was adjourned from time to time.

Today the submissions were heard and the application of the employer and the objections of the legal representative of the workman were heard. It was agreed between them on principle and the position of law also being the same that the Government reference does not survive for consideration as the workman died pending reference and the amendment came into effect one day after the death of the workman. This is how the reference may not survive for consideration. However, it is on record that in the LCC/20/83 which was filed much earlier the deceased workman has claimed certain dues including the revised pay and benefits under the Palekar award. That claim has to be investigated into separately and consequently LCC/20/83 survives for

consideration and the heirs of the deceased may put up their say in that matter which could be heard on merits. So far as the present Govt. reference goes the same does not survive and I pass the following order:

#### ORDER

The workman Party I Shri Benecio Nunes, Editor of M/s O Heraldo, Panaji - Goa having died on 20-8-1984 the question whether the termination of the service w.e.f. 6-6-82 is just, legal or not does not survive for consideration.

About the reliefs to be claimed by the exworkman the same would be considered in LCC/20/83.

In the circumstance of the case the parties are directed to bear their own costs.

The Government be informed about the passing of the order.
